This week is SASS Recognition Week and I would like to acknowledge the outstanding contribution that the SASS staff make to the school. They all support the teaching staff from administration in the office to supporting students in the classroom. We are fortunate to have the SASS Team that we have.

Our seniors have completed their HSC Trials and now embark on the last three weeks of studies in each of their HSC studies. This is an important period of time for them as they prepare themselves for the exams. Year 12 have a number of important events coming up in the last week of term as their time and contribution to the school draws to a close.

School Captain nominations for 2015 are currently open and the closing date is this Friday September 5.

The next P & C Meeting is on Tuesday 12 September at 7.00pm in the common room. A Canteen Committee Meeting will be held at 6.30pm. The P & C is still seeking support for their catering commitments at the Henty Field Days. Contact the front office for details if you don’t have a copy of the letter that was sent home.

Good luck to our Year 7 students who are representing the Riverina at the Boccia Tournament in Sydney on Wednesday. This will be a great experience for them.

P Carroll
Principal

**HSC Geography Study Day at BHS**

Come dressed in your footy colours
Buy a sausage in bread ($1-) or a rissole in bread ($2-)
Join in the long kick competition: junior boys/girls & senior boys/girls-with teachers (prizes to be won)
Supported by your SRC

**FOOTY COLOURS DAY!**
HSC Geography Study Day
The HSC Geography Study Day attracted students from a wide drawing area again this year. Cootamundra High, Tumut High, Coleambally High were just some to name a few. Approximately 100 students attended the day and were rewarded with lectures from two Sydney presenters. The topics covered enhanced their class work and also provided HSC Geography study tips.

Billabong High School has been the venue for this HSC Geography Study Day for many years and continues to attract praise from all schools and staff.

Sports Award Assembly
The 2014 Billabong Sports Award Assembly will take place at 2.00 pm on the Wednesday of Week 10 (final week of term). Notification of students receiving awards will be sent home next week. An afternoon tea will follow the assembly. One feature of the assembly will be the announcement of a Billabong Football Team featuring players from 1978 to present with a view for updates at the 40th and 50th school anniversaries.

Billabong P and C Needs Your Help
The P and C is in need of people who are able to spare a few hours or even a day during the Henty Field Days. The P and C supplies helpers at one of the major food sheds and in return receives a payment based on the number of hours committed. These days are great social occasions and good fun and greatly assist the P and C fund raising capability.

Anyone who is able to assist should contact Julia Muller at muller.highfield@bigpond.com.au. Information notes can be collected at the school’s front office.
Real Time – Shadowing a Student for the Day – Monday 15 to Friday 19 September

There is an opportunity for Year 10, 11 or 12 students to shadow a CSU student in a course they are interested in studying.

You would be paired with a trained CSU Future Moves Student Leader who would take you to their timetabled classes for the day.

Leaders will also take the students to lunch in the CSU dining hall, introduce them to other students, answer questions on all aspects of student life and give the student a tour of the campus.

During the day students will have a session with the Equity Officer who can answer questions relating to finance and access while studying at university and parents accompanying students are invited to attend an information session about the university provided by Future Moves or PSA/marketing staff.

On the Albury-Wodonga Campus they have CSU students from Education K-12, Physiotherapy, Parks, Recreation and Heritage and Health and rehabilitation who have volunteers to host students.

Please let Mrs Toogood know as soon as possible if you are interested, as places are limited.
Anywhere But Here Disco

Wednesday September 10, 7.00pm to 10.00pm

Come dressed appropriately as if you were going anywhere but to a disco!

$5 for ticket
$5 for bus

Tickets Available

Wednesday 3rd, Thursday 4th and Friday 5th of September at lunch times in the foyer

Come along to help Year 12 celebrate their last school disco.
It would be great to see everyone there!
