The school is holding its ANZAC Service this Friday morning. Phil Smith, Warrant Officer Class 1 will be our guest speaker. On Friday afternoon we will have an ex-student, Dallas Sharp, who has served in Afghanistan, talking to the students about his experiences in the military services.

I would also like to encourage as many students as possible to represent the school and participate in the ANZAC Ceremonies that are being conducted in our various communities on Saturday. It is certainly a significant day in Australian History.

The School Development Day yesterday had a focus on the School Plan 2015—2017. Working parties were planning the implementation of the Strategic Directions. The plan is available on the school’s website.

SRC: Goals for Vanuatu
The SRC led two events on the last day of term one to raise money for the people of Vanuatu in the wake of Cyclone Pam which devastated the country. Firstly, students brought a gold coin donation to dress in the colours of the Vanuatu flag. It was great to see so much red, black, green and yellow. This raised $226.00. With the SRC matching this, the amount increased to $452.00. The following students won canteen vouchers for best dressed:
Year 7 – Jaya Cheetham, Year 8 – Dylan Lloyd, Year 9 – Maddie Damschke, Year 10 – Emily Bouma
At lunchtime a goal shooting competition took place on the basketball courts. Groups had five minutes to score as many goals as possible from different spots, with the SRC donating $1- for each goal scored and $2- for any goal scored from outside the key. $137.00 was raised. Numbers of goals scored were:
Year 7 Girls – 18, Year 7 Boys – 10, Year 8 Girls – 21, Year 8 Boys – 19, Year 9&10 Girls – 29, Year 9&10 boys – 25, Teachers – 15
The winning group, Year 9&10 girls, received Easter eggs.
A total of $589.00 will be donated to a project organised by Tracey Farnsworth. This project supports local schools and children in Vanuatu by providing educational packs containing books, teachers’ aids and stationery. Tracey, an Aunty to Mackensie (Year 8) and Carrington (Year 12, 2014) Melbourne, has a long association with Vanuatu and is currently working with the National Disaster Management Office and Red Cross Vanuatu.
