The colder weather is now upon us and students are reminded to continue to wear the full school uniform. This includes the school jumper and/or jacket. These are available to purchase from the uniform shop.

Thanks to the parents who attended the P&C meeting last Tuesday evening. A couple of important things to note include:

- A wood raffle will be run shortly with 3 trailer loads of wood available. Please support this initiative.
- A working bee will be held on a date to be confirmed to help landscape around Room 15 - the multi-categorical classroom.
- The P&C is looking at supporting the school to plant some new trees on the grounds to replace the ones that were taken out last year.
- The old school ride on mower is still available to purchase. See Mark Leov for details.
- The next meeting will be held on Tuesday the 16th of June.

The school held a very successful Athletics carnival in Albury last Wednesday. The overall results are very close and the final result will depend on a few events that still need to be completed. The attendance and participation rates were good on the day and congratulations go to the House Captains for their leadership on the day. Also thanks to the Carnival Organisers and Staff who ensured the carnival ran smoothly.
