A career in drama on the cards for Hayley

BY ELIZABETH HABERMANN

ATTENDING the Riverina Drama camp has given Hayley Wilkinson a stronger focus on her future.

The 15-year-old Billabong High student attending the camp for the second year running along with 110 other students from across the region.

At last years camp Hayley thought she wanted a career with drama but this year she is certain.

She will study drama during her HSC and hopes to land a job in the industry.

This years camp gave her the opportunity to try beat poetry.

"I am really getting into beat poetry," Hayley said.

The camp gives students access to tutors from Melbourne and Sydney as well as teachers from regional schools.

"It is a great experience, more people should do it." Students can also make great friends and contacts during the camp which can help them in careers later in life.

The camp had over 150 entries but could only accept 110. These students travel from several smaller schools to take part in the five day camp.

Sessions included improvisation, mime, theatre, stage fighting, musical theatre, scripted scenes and more.

For the first time in the camps history, tutors were flown in from Sydney and Melbourne to teach students in their respective fields.

The camp was held at the Borambola sport and recreation centre from May 19 to 23.

On Friday 15th May, a small group of excited students boarded the school bus bound for the Riverina Schools Boccia competition in Wagga. We were joined by a group of students and staff from Culcairn Primary School who were also fielding a team in the competition.

Our team members, Aidyn Ebner, Hayden Honeywill, Luke Fox, Kyle Landsdown, Jeremy Bromley and Bradley Merkel had been training regularly and were well prepared for the day. There was a degree of pressure on the boys as they had won the competition last year. We competed against several schools and faced some very skilled players and teams.

Our boys demonstrated outstanding sportsmanship throughout the day and played extremely well. They were once again declared the winners at the end of the competition and invited to play in the State competition in September. Thanks to Mrs Toogood, Mrs Davies and Ms Morgan for accompanying the team to Wagga and to Mr Abood for his excellent Boccia coaching.
