The Subject Selection Evening for students in Years 8-11 will be held tonight.

Years 8-9  AV Room  6.45pm
Years 10-11 Library  7.00pm.

Booklets will be issued at these times and staff will be available in the hall to answer subject specific questions.

The newsletter includes information on the Nationally Consistent Collection of Data on School Students with a Disability. The collection will include a very large number of students (30%) given the broad definitions that are being used. The school was involved in the collection in 2014 and it is now compulsory across all Australian schools.

The next P & C Meeting will be held on Tuesday 28 July at 7.00pm in the common room. A Canteen Meeting will precede this at 6.30pm. The three winning tickets in the wood raffle will be drawn at this time.

Good luck to the following students who are representing the NSW All Schools Girls U16 AFL Team at the Australian Championships in Geelong this week.

The players are: Olivia Hall, Alyce Parker, April Lieschke and Nakita Singe.

Music Lessons
We have the opportunity to engage a piano teacher from the Murray Conservatorium in Albury. He will be at the school one day per week and will teach half hour lessons during class time. The cost of these lessons will be at the parents expense.

This is an exciting opportunity for our students and alleviates the need for parents to take children into Albury for lessons.

In order to start this program we will need at least four confirmed students.

If you are interested in taking up this exciting opportunity, please contact me, Ms Sandra Taylor, at the school and I will send home a copy of the enrolment forms.

Host a Student!
Hosting an exchange student allows families to gain insight into another culture and way of living, without leaving the comfort of their own home. The personal rewards, benefits and friendships that come from hosting an international exchange student often endure for generations.

Hosting gives Australian families the opportunity to share their life and their culture with young international students for a term, semester or year. 2016 is fast approaching and our students can't wait to hear from a welcoming host family they can call their own and learn about the place they will soon call home.
