Congratulations to the Industrial Technology students who completed and handed in their major projects last week. They will now be held in storage until the HSC examiners come to the school to assess the work.

Thanks to all the students who will be assisting at the Bernie O’Connor Competition at Yerong Creek on Friday. Without your support it would be difficult to run such events in the primary schools.

The Morgan Learning Community of Schools will be hosting a Professional Development Evening next Monday from 4.00pm—7.00pm. This will involve teachers, SASS staff and school Learning Support Officers. This will be an excellent opportunity to work together. Teachers will be attending a three hour session run by BOSTES Officer Christine Keys.

Premier’s Debating Success
Isabelle Cottrell, Leilani Feagaiga, Freya Mackinlay and Casey Scott travelled to Batlow Technology School on Friday August 7 to compete in the third Round of the Premier’s Debating Competition. They were given one hour to prepare for the topic “That we should accept more migrants” and were the affirmative team. A strong team line, convincing arguments and impressive rebuttals led to the team being announced as the winners for this round. This was an excellent effort and the Year 8 team will now compete in the quarter finals later this term. Congratulations to all students who have been involved in the Year 8 Premier’s team and all the best for the next debate.

National Self-Detection Program for Scoliosis
On-Line Discussion Forum at Scoliosis Australia (www.scoliosis-australia.org)

Scoliosis (spinal curvature) is an important health problem for adolescent girls and 25 per thousand are at risk of developing a significant curve.

The website contains comprehensive credible information about the symptoms and treatment of scoliosis. Using the forum on our website, girls and their parents can obtain general advice from certified specialists who manage patients with spinal curvature.
Summer School Dress Survey – SRC
Last term the SRC undertook a preliminary survey on a school dress being introduced as part of the summer uniform for girls. The results and comments were collated and then reported to the P&C last week by SRC members Ellen Liston and Ally Schulz. The girls did a wonderful presentation and the P&C are now undertaking further investigations.
